Exciting News: We Have Been Awarded the History Quality Mark!

Dear Parents and Carers,

I am thrilled to share some fantastic news with you! Our school has been awarded silver for the prestigious History Quality Mark, a national accolade recognising our commitment to delivering an excellent history curriculum. We are incredibly proud to announce that we are the first schools in the East Riding to receive this honour!

This award is a testament to the hard work and dedication of our staff, as well as the enthusiasm and engagement of our children. It highlights our efforts to provide an inspiring and well-rounded history education that not only covers important historical events but also fosters critical thinking and a love of learning about the past.

As part of our application, we showcased numerous exciting projects and initiatives that our children have been involved in, demonstrating their passion and curiosity for history. From vibrant classroom discussions to fascinating trips and innovative projects, the award reflects our collective commitment to enriching our students' understanding of the world around them.

We are eagerly looking forward to sharing more about this achievement and the impact it will have on our curriculum. This award opens up new opportunities for collaboration and further exploration of history, enhancing our children's educational experience.

Thank you for your continued support and encouragement. Let us celebrate this exciting milestone together!

With every good wish,

E Harros.
