5th March 2025

Dear Parents and Carers,

We have had several parents express interest in the possibility of an after-school club for our pupils. We understand the importance of providing a safe and nurturing environment for our children beyond the school day, and we are keen to explore this further.

The proposed timings for the after-school club would be from 3:30 pm to 5:00 pm, Monday to Friday during term time. The cost is yet to be determined but will be competitive.

We would like to gauge the level of interest from our parent community to ensure that this initiative aligns with your needs and preferences whilst also being viable for the school. Please complete the slip below to let us know if you would use the after-school club regularly on an ad-hoc basis or not at all.

Your feedback is invaluable as we consider the viability and structure of this potential offering. We are committed to providing the best possible support and opportunities for our children, and an after-school club could be a valuable addition to our school community.

Please complete and return the form below by Wednesday 12th March.

Kind regards,

Elizabeth Harros
Executive Headteacher
