8th May 2025

Dear Parents/Carers,

London – July 2026

Following on from our previous letter asking for any interest for the 2 night/3 day residential to London in July 2026; we have had so much interest and almost all the places have been taken by year 5 & 6 pupils across the federation.

Before we are able to offer the three available places to our year 4 children across the federation, we need to ensure all the year 5 and 6 children who expressed interest are still wanting to participate. We are asking for a **non-refundable** deposit of **£50.00** to be paid via Parent Pay no later than 30th May. If your child has decided they no longer wish to go on the visit, please inform the school office as soon as possible so we can offer the place to one of our year 4 children.

With regards to the three remaining places that we have available, we have decided to put all the interested Year 4 children into a draw and the first three names pulled out will be offered a place.

We have secured the accommodation for the visit and are now organising all the other events including the show, the London Eye, the boat cruise and visit to the Tower of London. We shall keep you informed over the coming months so you have all the details of what the children will be doing whilst in London.

Once we have all the deposits paid, we will then add the instalments onto Parent Pay. These will be spread over the following 10 months.

Please contact the office if you have any questions regarding this residential. We have decided to organise this visit as early as possible, which not only enables us to book as many events as possible but also to spread the payments out, giving extra time for parents to pay.

Yours faithfully,

E Harros
