13th October 2025

Dear Parents and Carers

I am writing to share some exciting news about a new parent support initiative at Beswick and Watton School.

We are delighted to introduce our School and Community Practitioner team, who will be hosting a series of drop-in sessions to support our families. These informal gatherings are designed to provide you with accessible help and guidance on a range of important matters.

The drop-in sessions will take place in the school staff room, starting at 9:30am, on the following dates:

- 12th November
- 10th December

There's absolutely no need to book - simply come along! The team will be offering support with a whole range of topics including managing behaviour and emotions, establishing helpful routines, and can signpost you to additional services that might benefit your family. To make you feel welcome, we'll have tea, coffee, and biscuits available.

We look forward to welcoming you and supporting your family's wellbeing.

With every good wish.

E Harros
