Dear parents and carers,

I am writing to invite your year 6 child to our 'biscuit club' after school on Thursdays beginning Thursday 10th June and continuing each Thursday until the last one on 16th July. Sessions will last from 3:30pm to 4:30pm and children can be collected from the Year 5/6 classroom entrance.

Biscuit club is our SATs booster club in disguise. It will focus on the children recapping previous learning and building test technique whilst enjoying a few treats.

Whilst there is no official SATs this year, we feel test technique is an important skill, especially as children move to secondary school. More than this, following the feedback from last year's Year 6 children, we feel SATs club was considered a rite of passage which they felt they'd missed out on.

If you would like your child to attend, please complete the slip below and return to school before the first session.

As always, thank you for your support.

Many thanks,

Mr Dolman
