Dear Parents/Carers

Potential London Trip Late April or Early May 2024

I am currently in the process of looking at organising an overnight residential trip to London for children in Years 4, 5 & 6. This follows on from our most successful visit in July 2022.

We are very conscious of doing everything we can to keep costs low while still organising a memorable trip all the children will enjoy.

This is what we hope to visit and explore while in London:

Following the success of the 2022 trip we hope to travel by private coach to London. Last time we left Middleton at 7.30am and picked up at Pocklington services at around 7.50am the children from Bishop Wilton. On arrival in London, we will visit The British Museum, looking particularly at the exhibitions that are relevant to the history the children have studied or those that they are particularly excited by. The overnight stay will be on HMS Belfast which is permanently docked on The Thames and is a floating museum. The children will eat their evening meal on the ship, take part in evening activities and then sleep in the bunks. The next morning, they will have breakfast on the ship and take part in a workshop. We will then visit later that day the National Portrait Gallery, enjoy a packed lunch in Trafalgar Square. The coach will leave London at around 4.00pm calling on the way home for MacDonalds as we did in 2022.

As I mentioned plans are at very early stage and we anticipate the cost to be roughly £150.00 per child. The trip will be open to all children in years 4, 5 and 6. We will offer this to children in year 3 if there is not enough take up from years 4, 5 or 6.

Please register your initial interest in the trip by returning the slip below as soon as possible to school.

Yours faithfully

E Harros
